

# ARGUMENT IN THE CASE OFFERED

Plans to Submit Argument on the  
Case, They Will Try Public  
For Being It.

Like the Republicans and Demo-  
cratic conventions, which were  
conducted for some time before  
they were finally able to reach a  
decision on the choice of a presi-  
dential nominee, the Rock Island  
realtors today stand tied on the  
question of which is right and  
proper as a slogan—"own your  
own home" or "own your home."

And to think the race closed to-  
day! At least one member of every  
real estate firm desiring to enter  
the contest has had his say.

Today's argument, which was put  
up by H. K. Walker of H. K. Walker  
& Co. in favor of the "own your  
home" slogan, was the "own your  
home" slogan, and just when the  
"own your own home" advocates  
thought they had the contest clinched.  
All of which goes to show that  
"you never can tell!"

What Walker Says.  
Here's what Mr. Walker says:  
"Of the two, 'own your own  
home' or 'own your home,' I should  
say 'own your home' was perhaps  
the better way to put it, and yet I  
question whether either is correct.  
I think it should be own your  
dwelling, as a home and a house  
are two very different things. To  
illustrate: When Adam and Eve  
formed a partnership and estab-  
lished a home, we doubt if there  
was a realtor there to sell them a  
house. We take it they had a place  
in the garden they called home,  
but doubt if any house was there;  
so while it is not a common ex-  
pression, yet we are of the opinion  
that own your dwelling place, or  
own your house would come nearer  
to what we are trying to induce  
folks they should have."

All Tell the Truth.  
"I think one of our realtors, in  
an article on this subject a few  
days ago, told the truth (as we all  
do) when he said the time was  
year at hand when there would be  
almost no houses for rent, and  
that most every one would own  
their home, and that would be an  
ideal condition, as the man who  
owns the house he calls home, is a  
better citizen as a rule, that is to  
say he has more interest in the  
community in which he lives and  
so also in his state and nation, and  
that is the thing we need always,  
and perhaps more now than at any  
time in the history of our nation.  
And so we should advise by all  
means to own your own home, or  
own your house or own your dwell-  
ing place—call it what you may,  
but own it."

Put It Up to the Public.  
But the best part of this two  
weeks' argument is not the fact  
that it finally wound up in a tied  
score, but the way the realtors  
have decided to have the much  
disputed question settled.  
They are going to leave it up to  
the public!

These realtors believe that they  
know public sentiment just about  
well enough to feel safe in turning  
the befuddling problem over to the  
citizens of Rock Island for a final,  
just and satisfactory settlement.

Offer \$10 in Cash.  
To insure this belief in the pub-  
lic, the officers of the Rock Island  
Real Estate board have announced  
that their organization will offer a  
cash prize of \$10 for the best essay  
or poem on "own your own home"  
or "own your home," the writer to  
support either slogan he or she  
chooses. In this way the contest  
will be decided, as the essay or  
poem which puts up the best argu-  
ment will thus cast the deciding  
vote.

Judges—three of 'em—will be  
appointed to read the essays and  
poems sent in by residents of Rock  
Island, and to decide on the best  
one—the prize winner.

Write Your Argument Now!  
According to today's announce-  
ment by the officers of the real  
estate board, the contest is now  
open to the public, and those in-  
terested in winning the \$10 bill  
may start writing at once and mail  
in their manuscript. The manu-  
scripts are to be mailed to "Real-  
tor Contest Editor," in care of The  
Argus, and will then be turned  
over to the three judges who will  
decide this weighty problem for the  
intending to enter the contest and  
decide to weighty problem for the  
realtors of Rock Island are urged  
to get busy immediately, as all  
manuscripts must be in the hands  
of the judges by 9 o'clock next  
Monday morning, July 12.

Peter Ruth, 310 Fifteenth street,  
Moline, was severely lacerated  
about the face when he was struck  
down by an Iowa machine at the  
corner of Third avenue and Twen-  
ty-second street, Rock Island, at  
7:45 last night. Mr. Ruth incurred  
a cut on the nose, three on his tem-  
ple and a bruised right eye.

The Davenport driver was going  
down Third avenue and noticed  
Ruth crossing the street. Think-  
ing that Ruth would stop to let  
the machine pass, the Davenport  
driver kept going, and Ruth, be-  
lieving that the car was going to  
slow down, continued crossing the  
street. Instantly after Mr. Ruth  
was knocked down, the driver stop-  
ped and the injured man was taken  
to St. Anthony's hospital. Dr. W.  
D. Salvary is attending him.

Dr. Salvary reported this noon  
that Mr. Ruth will not be perma-  
nently marked by any of the bruises.  
Ruth is employed at the Deere &  
Macom shops in Moline.

White's First K.O.  
It was the first time White had  
ever been knocked out and he has  
been engaged in 145 fights. Leon-  
ard declared today he was ready  
to accept any matches offered. His  
honor no marks except a cut lip, but  
White's face was badly swollen.

Although the arena in which the  
Leonard-White fight took place  
was jammed beyond capacity,  
Lloyd Fitzsimmons, promoter,  
faces a loss of about \$10,000.

"Deadheads" Blamed.  
This, Fitzsimmons said, was due  
to the fact that he was defrauded  
out of about \$10,000. It is alleged  
gatekeepers passed in hundreds  
without tickets, accepting from \$1  
to \$10 and pocketing the money.  
Not all of the tickets were sold but  
every seat was filled and hundreds  
fought for standing room.

Leonard, the champion, received  
\$18,744, and White's share amount-  
ed to \$9,371.

# ROCK ISLAND'S "JULY FOURTH" TAME BUT SANE

People Enjoy May Without Cele-  
brating—No Amusements Here  
But Three in Davenport.

Rock Island enjoyed a "Glorious  
Fourth." It was tame but sane!  
The city enjoyed Sunday on July  
4, and enjoyed the Fourth of July  
on July 5.

The badly twisted date was no  
more unusual than was the city's  
program of events, for there was  
no celebration at all. But it was a  
glorious holiday and countless hun-  
dreds took advantage of the two  
days of leisure by enjoying them-  
selves after their own particular  
fashion. Everybody felt that they  
were missing nothing by doing just  
as they wanted to, and they weren't.

While both Davenport and Mo-  
line attempted something in the  
form of a Fourth of July celebra-  
tion, Rock Island attempted noth-  
ing. A good many Rock Islanders  
migrated to Moline or Davenport  
for the celebrations staged in those  
places. Others packed up some  
cans and slivered away for a  
day's outing in the country. Many  
swarmed to Long View park and  
car loads visited the Watch Tower.  
Russell Bros. carnival, which has  
been showing here for the last  
week also got its share of pleasure  
seekers. Left to their own devices,  
the people of Rock Island made  
Sunday and Monday a double  
header holiday instead of the cus-  
tomary one day celebration of July 4.

Fireworks which were to have  
closed a perfect day at Forest park  
in Davenport and Prospect park in  
Moline, were interfered with by  
the steady downpour that started  
in the early evening and continued  
until morning.

Three Hurt in Davenport.  
While there were no accidents in  
Rock Island due to fireworks, or  
at least none serious enough to  
need a physician's attention, three  
occurred in Davenport, one of  
which is serious.

Francis Norrellus, 16-year-old son  
of Rudolph Norrellus, was seriously  
injured when he looked into a blast  
of black powder which had  
fallen to explode when he first  
dropped a lighted match into it.

The youth, who is employed in the  
composing room of the Davenport  
Democrat and is official city re-  
porter, lost one eye, seriously in-  
jured the other, and suffered a hor-  
ribly mutilated face. In the blast  
that occurred as he looked into the  
can of powder. He was rushed to  
Mercy hospital. Unless complica-  
tions occur it is expected he will re-  
cover.

Russell Emanuelson, who was  
also playing with a can of powder  
sustained a badly injured eye.

In setting off a firecracker Sun-  
day afternoon Raymond Bryant, 15  
years old, was seriously burned  
about the face.

KISS FOR WIFE  
ONLY SHOW OF  
COX EMOTIONS

(Continued From Page One.)  
member of the middletown board  
of education.

Later Mr. Cox became private  
secretary to Sarg.

Cox Wins Gratitude.  
Governor Cox today sent a tele-  
gram to the Democratic national  
convention at San Francisco, an-  
nouncing he would accept the  
presidential nomination and thank-  
ing the delegates for their action.

Following is the text of the tele-  
gram:  
"Hon. Joseph T. Robinson, chair-  
man,  
"Democratic national convention,  
"San Francisco, Cal.:  
"Let me thank you for your felici-  
tations message. I shall accept  
the standard from the Democracy  
of America, conscious not only of  
the honor but the great responsi-  
bility conferred. As Providence  
gives me a strength and vision  
my firm resolve will be to justify  
the confidence which has been offi-  
cially expressed. The shrine of  
government is in the communities  
of the land near to the homes that  
have given service and sacrifice.  
To them we will carry our cause  
with the assurance that the faith  
shall be kept and that the institu-  
tions of a free people are always  
sufficient to the needs of time, if  
they are held to the causes which  
we pledged."

"Please convey to the delegates  
of the convention my grateful ac-  
knowledgments."  
(Signed) "JAMES M. COX."  
Governor Cox also sent a reply  
to the greetings from Senator  
Harding, the Republican presiden-  
tial nominee.

Reply to Harding.  
His telegram to Senator Harding  
read:  
"I accept your message as an evi-  
dence of the fraternal impulse  
which has always characterized the  
craft to which you and I belong. I  
heartily reciprocate the felicitations  
spirit which you have expressed."  
Among hundreds of telegrams of  
congratulation received today were  
some from Senator Robinson, per-  
manent chairman of the Demo-  
cratic national convention; Senator  
Hitchcock, Senator Pomerene, Wil-  
liam Cooper Procter, who managed  
General Wood's pre-convention  
campaign, and from former Gov-  
ernor Campbell of Ohio.

Telegrams were arriving so fast  
that several clerks were kept busy  
opening them.

(Special to The Argus.)  
Kewanee, Ill., July 6.—Tony Cap-  
poni of Rock Island, shadowed Gary  
Henderson of Joliet in a ten round  
bout here yesterday. Henderson  
displayed some clever work, but  
Caponi's aggressiveness gave him  
the margin.

Earl Henderson, Rock Island,  
knocked Kid Thompson of Peoria,  
Iowa, with his first blow and the  
Peoria boy failed to come back after  
the first round.

Frankie Sherbrooke, Rock Island,  
and Kid Schug, a favorite here,  
fought a draw in six rounds.

Chicago, who was also in the  
truck, incurred two broken ribs.

Mrs. Kossow, Mr. Miller and the  
five Kossow children were unin-  
jured. While the party was going to a  
picnic, the machine skidded and  
completely overturned. Mrs. Kos-  
sow was pinned underneath.

Mrs. Kossow had been married  
10 years and had lived all that  
time in LaSalle. She was 34 years  
of age. Before her marriage she  
was a resident of Rock Island.

his name before the convention.

Secretary Baker sent congratula-  
tions to Governor Cox and said in

less and high minded."

# GIRLS OF HI Y RECEIVE HONOR AT CONFERENCE

Rock Island Delegation The With  
Other Group for Best Points  
in Contest.

Receiving honors for such ac-  
tivities as drinking eight glasses of  
water a day, going to the morning  
exercises, taking morning dips, and  
not spending more than 25 cents a  
day for candies and ice cream, the  
Rock Island delegation of the  
Girls Hi-Y club have returned from  
the high school girls' conference at  
Dewey Lake, Mich. The conference  
lasted from June 25 to July 3, and  
was attended by Jean Hantton,

trip:  
"After arriving in Chicago on  
Thursday morning, we went to the  
Graham-Morison docks from which  
we expected to take a lake steamer  
across Lake Michigan to Benton  
Harbor. Here we met Alfaretta  
Dempsey who informed us that the  
boat had left an hour before as it  
was running on Chicago time and  
our watches were set at standard  
time. As the next boat would get  
us to the conference a day late, we  
hired a taxi and went to the sta-  
tion and made the train for  
Dowagiac. We met delegations on  
the train and yelled and sang. We  
were welcomed by Miss Edna  
Bearsley. We were taken on a  
truck to the conference grounds at  
Dewey Lake, 10 miles away. We  
registered and were given a cottage  
with the Terre Haute delegation.

Divide Into Tribes.

duced to the leaders of the confer-  
ence, Frances Crittenden, Lola

organized and divided into tribes,

# Is Your Back Giving Out?

DOES summer find you tired, weak  
—all worn out? Do you have a  
constant backache; feel lame and  
stiff, and without life or ambition for  
the simplest task? Surely, then, there's a  
reason why you feel so badly. More  
than likely it's your kidneys! You may  
have over-worked, eaten too much meat  
and had too little rest or sleep, all of  
which has thrown a heavy strain upon  
your kidneys. This may be the cause of  
your bad back, that nervous, "blue," de-  
pressed feeling, and that annoying kidney irregularity. Don't wait for some serious kidney illness. Get  
back your health and keep it! Live more simply and sensibly for a while and help the weakened kid-  
neys with Doan's Kidney Pills. Doans have helped thousands. They should help you. Ask  
your neighbor!

These are Rock Island Cases:

<p><b>Third Avenue</b> E. A. Martin, proprietor of electrical supply store, 1609 Third avenue, says: "Some years ago I was doing a great deal of heavy lifting and one day I strained my back. It didn't bother me so much at first but two days later pain set in. I got so bad I couldn't walk at all for a few days and my kidneys got out of order, too. I was advised to try Doan's Kidney Pills and soon after I began taking them, they helped me. I have used Doan's since then when a cold has brought on a slight return of kidney trouble. They have never failed to rid me of the attack."</p>	<p><b>Fifth Avenue</b> Mrs. W. C. Rapp, 3012 Fifth avenue, says: "I have used Doan's Kidney Pills when my kidneys have troubled me and they have always helped me. Now and then I have had dizzy spells come over me when little black specks would come before my eyes. My kidneys have acted irregularly and my back has ached, over my kidneys. When I have felt any of those symptoms coming on I have used Doan's Kidney Pills and they have soon ended the trouble."</p>	<p><b>Twentieth Street</b> E. R. Stellan, chief car inspector C. R. I. &amp; P. Ry., 811 Twentieth street, says: "I do a lot of stooping inspecting cars and I believe that is what weak- ened my kidneys and brought on backache. Many times I have bent over and could hardly straighten again because of the terrible pain through the small of my back. My kidneys have acted irregularly and the kidneys secretions have been highly colored. Whenever I have felt any pain in my back or any return of kidney trouble, I have bought Doan's Kidney Pills at Bengston's drug store and they have given prompt relief. I try to keep Doan's in my home all the time."</p>
<p><b>Tenth Street</b> James J. Carroll, 608 Tenth street, pattern maker, says: "My kidneys have been my one weak spot. At times I suffered a great deal from lameness across my back that made it hard for me to do my work. I could hardly lift or stoop. My kidneys were weak and often times I had no control over the passages of the kidney secretions. A friend advised me to try Doan's Kidney Pills so I got some at Bengston's drug store and they soon brought me relief. I have used Doan's Kidney Pills several times since then when I have felt that my kidneys need attention and they have never failed to bring me the same good results."</p>	<p><b>Ninth Avenue</b> Mrs. T. J. Elwell, 1521 Ninth avenue, says: "I suffered from a severe attack of kidney and bladder trouble. I was laid up in bed for three weeks. My kidneys were in terrible shape and caused me a great deal of suffering. My back ached both day and night, and it felt as if it would break. I tried different kidney medicines, but nothing did me any good until I began using Doan's Kidney Pills. Doan's were just what I needed and after using three boxes I was rid of the trouble."</p>
